Re: Freedom of Information Act Request

Dear Mr. Nash,

This letter responds to your Freedom of Information Act ("FOIA") request to the Chicago Transit Authority ("CTA") seeking documents relating to the CTA Red North Station Interim Improvements at the Morse Station including, specifically, any Statement of Compliance showing compliance with the Environmental Barriers Act and the Illinois Accessibility Code and any records used to calculate alteration and reproduction costs at the Morse Station as those terms relate to compliance with the Illinois Accessibility Code.

Under the Freedom of Information Act, a public body may extend the time to respond to a FOIA request by up to 5 business days, excluding weekends and state holidays, for a limited number of reasons. 5 ILCS 140/3(e). We are extending the time to respond to your request by 5 business days for the following reasons:

- The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under Section 7 or 7.5 of FOIA or should be revealed only with appropriate deletions. *See* 5 ILCS 140/3(e)(v); and
- There is a need for consultation, which shall be conducted with all practicable speed among two or more components of CTA having a substantial interest in the determination or in the subject matter of the request. *See* 5 ILCS 140/3(e)(vii).

CTA will respond to your request as soon as possible. Please contact me if you have any questions regarding this FOIA request.

Sincerely,

Brigett R. Bevan
Freedom of Information Officer
